Euro Water Solutions providing the complete water solution to protect you and your home...

Limescale can create damage in the home

If you live in a hard water area, all of these problems will be familiar to you.

The benefits of soft water to you and your family

Soft water lathers beautifully and cares for your laundry too.

Soft water will give you beautiful soft skin and hair

Soft water can help relieve those suffering from dry skin conditions.

The Premier water softener by Euro Water Solutions is the perfect solution

€ Save Money

Our finely tuned system can deliver **savings of up to 70%** on your salt consumption.

Meter and Timed

Don't run the risk of still finding limescale in your home after purchasing a cheaper timed-only unit. The premier's dual system purification will guarantee soft water 24/7

Resin

The finer the resin, the softer the water will be. We only use ultra fine resin, the highest quality in the industry.

Ceramic, not plastic

Unlike our competitors, the EWS Premier uses ceramic components which enhance durability and optimises efficiency.

Offer includes a **3 stage drinking water system** with premium filtration as a basic
(because one filter can't do it all)

Euro Water Solutions is classified as an Essential Service provider therefore it will remain open to serve its customers during these unprecedented times.

THE ULTIMATE REVERSE OSMOSIS SYSTEM

**Recent media reports stated
"Irish Water investigating
reports that drinking water
in parts of Dublin has a
strange taste or smell"**

Euro Water Solutions are launching the new 6-stage filtration RO system. The new Euro Water Solutions RO system combines design and technology making it the number one RO system available.

The water purification process removes unwanted contaminants, solid substances, large molecules and other unwanted particles from your water.

Our final filter remineralises your water delivering clean filtered and odor free water straight to your kitchen tap. The EWS system also removes fluoride and chlorine from your water. You will really taste the difference when you install our system and will no longer need to purchase bottled water.

GET €100 DISCOUNT

When you order the **Premier Water Softener** and **Reverse Osmosis System** at the same time.

Offer includes a **3 stage drinking water system** with premium filtration as a basic.

This **eliminates** the need for you to buy **bottled water** in the future.
